Notice Regarding Income Claims

Notice to all gmt! iAssociates regarding income claims:

When making income testimonials or stating earnings potential in any form (whether orally in person, by telephone, or other electronic medium; or in writing in printed materials, email, on a website, or otherwise on the Internet), all iAssociates are required to include the following statement:

"Earnings of a typical iAssociate who is active for at least six months with the company are [estimated at] approximately \$1423.27 in those six months."

Regards,

gmt!
